

Product ID: pH-873

pH Meter

Specification:

****Measuring range**

- 0.00~14.00PH 0~55 deg C.
- 0.00~14.00PH

****Accuracy**

- $\pm 0.1\text{PH}$ ± 1 deg C $\pm 0.1\text{PH}$

****Resolution**

- deg C, 0.01PH

****Operating Temperature**

- 0 ~50 deg C

****Automatic Temperature Compensation**

- 0~50 deg C

****Power Supply : 4×1.5V(AG13)**

****Dimensions : 170×36×23(mm3)**

****Accessories: batteries, operation manual, carrying case, buffer 4 and 7.**

****Weight : 91g (mete only)**

It is applicable to determine pH value of water solution in departments of medical treatment, environment protection, scientific research, college and mechanical plant etc.
